The Shire of Dumbleyung is currently in the process of reviewing its Disability Access and Inclusion Plan (DAIP) for 2024-2029 and is seeking community input. The purpose of the DAIP is to ensure all people, including people with a disability, are welcomed and included in the Shire, and have access to Shire buildings, information, public consultations, complaints processes, services and employment opportunities. We are seeking feedback from the community on areas where we can improve.

This survey is also available to complete online at <https://www.surveymonkey.com/r/Review-DAIP>
