

## **Dumbleyung Swimming Pool – Community Update**

Work continues using professional architectural and engineering support to investigate alternative concept options for a new Dumbleyung Swimming Pool.

This investigative work is being undertaken in tandem with Shire personnel considering funding and finance options to support a preferred design.

Once these two important pieces of work are completed, a further Dumbleyung Swimming Pool Project Working Group meeting will be called to consider this information.

Further community updates will be provided as progress on both Dumbleyung Swimming Pool design and funding fronts is made.

The Dumbleyung Swimming Pool Project Working Group members are Shire President Julie Ramm, Cr Bevan Doney, Heather Bartram, Chelsea Mott, Pip Gooding and Jon Ward.
