

# Shire of Dumbleyung MINIMUM TRAINING FOR BUSHFIRE VOLUNTEERS

## Firefighting Skills

**Firefighting Skills training is one of the minimum required training courses for Shire of Dumbleyung Bush Fire Brigades equipped with a fire truck.**

The course covers fire suppression techniques, use of firefighting equipment, personal and crew safety, as well as effective communication methods using radios and other systems. It also introduces learners to the roles and responsibilities within a firefighting team, including hands-on training to develop competencies in hose handling, pump operation, and working safely around fire appliances.

## Bushfire Safety Awareness

**Bushfire Safety Awareness training** is one of the minimum required training courses for Shire of Dumbleyung Bush Fire Brigades equipped with a fire truck. The course introduces concepts of bushfire behaviour, personal safety, and situational awareness, to assist firefighters to identify hazards, assess risk, and respond appropriately during bushfire incidents. It also covers the use of protective clothing and communications systems

## Rural Fire Awareness

**Rural Fire Awareness (only) = Farm Response Volunteer only.** This is an introductory course to firefighting and targeted for farmer response brigade volunteer firefighters and seasonal workers to provide students with a basic awareness of fire ground safety and suppression strategies. This aims to maintain personal safety when operating on a fire ground however, you will only be permitted to attend fires using privately owned and operated fire equipment.

**Training course dates to follow** ➡
