Access the course by selecting “Syllabus” in the red circle below, and select the “→” emblem below “Rural Fire Awareness – Online Training”

The screenshot shows the DFES eAcademy interface. At the top, there are logos for the Government of Western Australia, DFES, and eAcademy. Below the navigation bar, the course title "Rural Fire Awareness (Online)" is displayed, along with "Online" and "In progress" status. A "Description" tab is active, and the "Syllabus" tab is highlighted with a red circle. Below the tabs, the "Info" section contains a description of the course. The "Syllabus" section shows a card for "Rural Fire Awareness - Online Training" with a yellow 'C' icon. A red arrow points to the right-pointing arrow icon at the bottom right of this card.

Once you’ve completed the Rural Fire Awareness Course (Online), you will receive a confirmation email from DFES advising that the training is completed.

Please forward the DFES confirmation email to ryan.sutherland@dfes.wa.gov.au to ensure the completed training is recorded by the Shire.

NOTE: Public online accounts will only be active for 30 days. If you do not complete the course and need access again, you must contact eacademyhelp@dfes.wa.gov.au to request your account to be reactivated.
